BAME Incubator programme

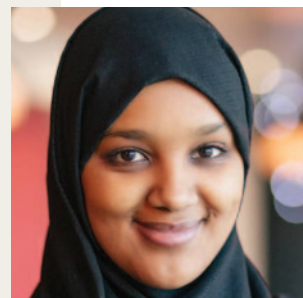

The BAME Female Founders Incubator is an intensive programme of 9 weeks. This programme is dedicated to BAME Female Founders who an MVP (minimum viable product, have started trading or have already a business background. The contents of this programme offer solid business knowledge dedicated to women who want to access support to create a sustainable business. The programme is tough and comprises of weekly workshops and extended study time at home. Plus, being part of a cohort of female entrepreneurs is a big additional experience on top of the business knowledge you gain.

A dedicated Hatch facilitator will be with you throughout the programme to support you on your journey, after

the 9 weeks, you'll get to present your work to a panel of investors and you will be assigned a mentor for three months.

At Hatch, we balance our workshops between process and outcome. Each week we will meet on Friday to take part in a full day of workshops. There is a focus on group work and tapping into each other's strengths. Your cohort leader will be with you all the time to guide you through the workshops and provide you with the necessary knowledge on how to start a business.

In addition to the programme, you'll gain access to the courses and tools available in the Female Founders Academy for free for 6 months and the Hatch Alumni Network.
