Accelerator programme

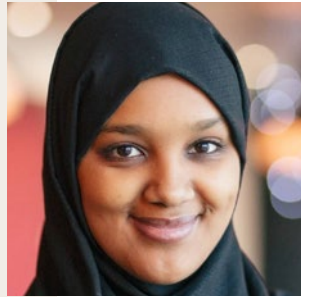

Do you want to grow your business 10x in the next 10 years? The Female Founders Accelerator is the perfect programme to take your business to the next level.

Our selective 6-month programme combines business training, expert support, coaching and mentoring to help you accelerate your business's success.

We've designed our programme based on insights gained from working with more than 250 female founders, as well as our experience supporting over 500 entrepreneurs in the last 6 years.

The programme includes:

- Expert-led sessions on core business areas (including operations, sales, finance, marketing, branding, leadership, and HR)
- 1:1 technical support, business coaching and expert consulting
- Access to online investment readiness courses by our partners Five Years' Time
- Access to networks & a supportive community of female founders

Important information

Rolling applications - limited places available

Next programmes starting:

April 2020 & July 2020

“The Hatch Accelerator was the boost and support I needed to grow my business. It gave me the courage and confidence to take my business to unprecedented new levels”

The programme:

The programme will run fortnightly on Fridays **during childcare-friendly hours** in Central London locations. The total time commitment of the course is two days a month of workshops and 1:1 sessions, plus two hours of remote work each week.

The programme is open to 15 motivated entrepreneurs with the following criteria:

- You identify as a woman and you have a business
- Your business turnover is at least £75,000 per year
- You are employing at least one member of staff (or Full-time Equivalent, or with sub-contractors/freelancers at a similar level)
- You are ready to invest time to work on your business' strategy and can commit to at least 75% of the programme time
- You can commit to paying the programme fee before the programme starts

Pricing

£300

This programme is valued at over £5000, but thanks to the generosity of our sponsors participants are asked to pay a contribution of £300.
